

The Kary Turnell Mystery Tour

An innovative way to acquaint or re-familiarize yourself with many of New Hampshire's most beautiful, interesting places. Read author Mark Okrant's Kary Turnell Mysteries. Then use the map and the checklist on the reverse side to identify book settings individually, to take a self-guided daytrip, or to plan a weekend getaway.

The Kary Turnell Mystery Series is written by longtime tourism professor and researcher, Mark Okrant (www.markokrant.com). The series is published by Plaidswede Publishing. Books are available from the publisher (www.nhbooksellers.com), independent bookstores, and at a number of tourism attractions throughout New Hampshire.
